PROFESSIONAL SUMMARY

Dedicated professional with over 10 years of remote experience serving as a reliable first point of contact for clients and stakeholders. I take pride in managing client inquiries, preparing quotes and proposals, handling invoicing, billing, payroll support, and keeping all administrative processes accurate and well-organized.

I have a genuine passion for compliance work and a strong focus on accuracy and attention to detail. Committed to doing my very best every day, I build and optimize efficient operational workflows using Notion, Google Sheets, CRM systems, and Looker Studio.

I provide dependable executive administrative support through clear communication and timely responses. Ready to bring strong organizational skills and dedication to any team that needs reliable admin and customer service support.
